SUBJECT: California MMPs: Revision to Final Contract Year 2016 Marketing Guidance for Medicare-Medicaid Plans

On August 13, 2015, CMS released a memorandum titled, “Clarification of CY 2016 Medicare Marketing Guidelines.” In that memorandum, the requirements of section 100.1 (General Website Requirements) were revised to clarify that D-SNPs and MMPs that mail the Annual Notice of Change (ANOC) and Evidence of Coverage (EOC)/Member Handbook separately are required to post the ANOC on their plan website by September 30 and the EOC/Member Handbook by December 31.

This memorandum updates the Final Contract Year 2016 Marketing Guidance for California Medicare-Medicaid Plans (MMPs), originally released via HPMS on July 23, 2015, as a result of this revision to the Medicare Marketing Guidelines (MMG). That guidance incorrectly specifies that the EOC/Member Handbook must be posted by September 30 even when mailed separately from the ANOC.

Specifically, Table 3 in section 30.7 is revised as follows:

The changes in this memorandum are effective immediately, and we expect to revise the California MMP marketing guidance and models to reflect these changes when we next update those documents for CY 2017.
